

BELLEVUE CLUB

## MEMBERSHIP CONVERSION FORM

Member Name \_\_\_\_\_ Membership Number \_\_\_\_\_

Please convert our current membership from \_\_\_\_\_ to \_\_\_\_\_ classification, effective \_\_\_\_\_.

I understand there is no fee for transferring from an Athletic membership to a Social membership, but when converting back to an Athletic membership there is a fee of \$150. I also understand all intermediates and children are excluded from Social memberships, however when converting back to an Athletic membership they can be reinstated at no additional cost.

If converting from an Athletic membership to a Social membership, I understand I must relinquish my locker(s) and remove all belongings by the effective date above. I understand at a later date, if we choose to convert back to an Athletic membership, there may be a waiting list for an available locker. *Items left in lockers will be held for 30 days and then donated to charity.*
