TESTIMONIAL

"Team Foster is proud to be a longstanding advertiser in the Bellevue Club Reflections magazine. I was one of the early advertisers when the BCRM was just being published. All of these years later, we continue to find this publication to be one of the most effective - targeting a specific & key demographic for our business. Even during the economic downturn, when we had to make tough marketing budget choices, we never considered cutting back on our space in BCRM. It's that relevant of a publication and one of the best marketing tools we have."
